25 "In a SHOCKING display of utter arrogance and recklessness, 20-year-old radical homosexual activist Chris Armstrong, who recently became the first "gay" president of the Michigan Student Assembly (MSA), went out bar-hopping in Ann Arbor last weekend - and advertised his contempt for the law."

✓ Am

26 "In addition to promoting the radical homosexual agenda, is this what MSA is all about under the Armstrong Administration - underage drinking and partying? It appears so." *False list*

26 "One of Armstrong's most prominent campaign pledges is to bring back Saturday night dining to U of M's dorms so that students - like him, apparently - can engage in weekend underage drinking binges on full stomachs ..."

✓ Am

41 "The fact that Armstrong would host a homosexual orgy - at his U of M dorm no less - is sickening. ... Armstrong's hosting of a not-so-discreet orgy sheds new light on the deranged character of U of M's new student body president." *False list*

✓ AM

41 "It also shows that Armstrong's push for "gender-neutral" housing throughout the University's dorms may be part of a broader agenda to allow "gay" residents to more easily engage in "homosexual shenanigans" (read: orgies, underage binge-drinking, and probably illegal drug use, too)." *False light*

52 "SHAMEFUL: Armstrong Openly LIES to the U of M Board of Regents at its April 2010 Meeting In a DISGRACEFUL act of duplicity, Chris Armstrong ... outright LIED to the University of Michigan Board of Regents shortly after his March 2010 election as the first openly 'gay'

president of the Michigan Student Assembly (MSA)."

52 Photo "LIAR" *False light*

54 "He openly lied to the U of M Board of Regents."

54 "Armstrong also deliberately LIED to minority students' faces ..."

54 "Armstrong is nothing less than an arrogant, self-absorbed psychopathic liar." *False light*

54 "Maybe this is because Armstrong comes from a very wealthy and privileged background and is used to getting anything he wants - when he wants it. Maybe Armstrong's compulsive lying also has to do with the fact that he has never had to work a day in his life at a real job and that his millionaire corporate attorney father, Steve Armstrong, frequently cleans-up Chris' messes."

54 "However, regardless of the reasons behind Chris Armstrong's addiction to lying, the fact remains that his election as the new MSA president is NOT something anyone in the U of M community can be 'proud of.'" *False light*

54 "Armstrong's blatant lies to his student constituents and the state-wide elected governing body of the University are shameful."

57 "Since then, Armstrong has been trying to keep the sexual relationship secret because Raymond is "not out of the closet." But sources differ over whether Raymond is actually homosexual, bi-sexual, or just an outright confused heterosexual. One thing, however, that all sources do agree upon

False light

is that Armstrong basically seduced Raymond.”

_____ 57 “According to sources familiar with MSA, Armstrong, who served for the past two years as chair of MSA’s infamous LGBT Commission as well as an elected MSA representative, took a strong liking to Raymond and made it his personal mission to recruit him as an ‘ally’ - at first.”

✓W 57 “According to sources, Armstrong started to become ever more interested in Raymond after he saw how easily he could manipulate Raymond into leaving his conservative politics behind.”

✓Am 58 “Armstrong’s interest in Raymond, whom some sources describe as an athletic “pretty-boy,” turned to obsession.” *False light*

✓Am 58 “Soon, Armstrong was allegedly getting Raymond inebriated on a regular basis and a sexual relationship between the two commenced and continues to this day.” *False light*

_____ 58 “In fact, one of the reasons that Armstrong wanted to return to Washington, D.C. this summer was because Raymond was also spending the summer there again.”

✓Am 58 “However, according to the same sources, Raymond and Armstrong have an understanding that they are free to ‘date’ and ‘hook-up with’ others, i.e., they are not in a monogamous relationship.” *False light*

✓Am 58 “Armstrong has now shown himself to be a very, very twisted sick individual who is manipulative and cunning in a most devilish way.” *False light*

✓Am

79 "At the time of their arrival, an out-of-control crowd of drunken homosexual 'party-goers' were amassed all over the residence's front and back lawns, freely walking around with open containers of alcohol while loud music blared from inside the house." *False light*

79 "It took 10-to-15 minutes for the police to break-up the crowd and end Armstrong's 'GAE Rush: Welcome Week Party.' As reported EXCLUSIVELY on this watch site in the immediately preceding post, the aim of this 'party' was to liquor-up underage freshmen and promote homosexual activity in an effort to recruit them to the homosexual lifestyle." *False light*

✓Am

✓Am

82 “As pictured above, during the spring MSA election campaign last March, 2010, a ticked-off officer from the University of Michigan’s Department of Public Safety (DPS) approached Armstrong on the central campus DIAG. Armstrong and his fellow radical homosexual activists, who all ran together under the M-Forward “political party,” were apparently so out-of-control in their non-stop harassment of students that DPS had to be called.” *False light*

- 13 "Chris Armstrong, the first openly homosexual president of the Michigan Student Assembly (MSA), wants the University of Michigan community to believe that he has had it "rough" because he's 'gay.' " (21)

"The following expose of the REAL Chris Armstrong has been compiled from public information as well as confidential sources who know Chris well." (21)
- 13 "Let's start with Chris' family. Chris' father, Steven Armstrong, is a very highly paid PARK AVENUE (as in New York, New York) CORPORATE ATTORNEY, currently working as general counsel for the Campbell Soup Company." (22)
- 13 "Chris lives in a sprawling mansion that is ..." (23)
- 14 "Well, in between his freshman and sophomore year at U of M (summer, 2008), Chris spent several months travelling around Italy with friends. It does not appear that Sociology concentrator Chris was doing an expensive study-abroad program; rather, it appears that he was on all-expense paid trip courtesy of his millionaire father." (24)
- 14 "In 2008, while Chris was on break at U of M, they went on a SAFARI in Africa." (25)
- 14 "Chris spent a lot of his time 'partying' and when the 'internship' ended, what did Chris do? What do you think? He packed his bags and vacationed several weeks at his grandparents' estate in EXTREMELY WEALTHY Newport, Rhode Island. Chris comes from OLD \$\$\$, folks." (26)
- 14 "Chris ... spent a week sunning themselves on the beaches of PUERTO RICO at a 4-star resort." (27)
- 28 "Dumb & Dumber: Chris Armstrong & His Rich Dad Try to Pull a Fast-One; End-Up Looking Like Fools" (44)
- 28 "Photos with 'Dumb' 'And Dumber' written on them" (45)
- 28 "Reeling from weeks of well-deserved criticism via this watch site and other outlets, such as the *Michigan Daily* and the U of M College Democrats, Chris Armstrong, the first openly homosexual president of the Michigan Student Assembly (MSA), has decided to finally do what any typical spoiled rich kid would do in response: whine to his wealthy daddy about

it.” (46)

28 “Apparently, Chris’ father, millionaire corporate attorney Steve Armstrong, became sick of his son’s incessant tantrums and/or Steve became alarmed that the world was coming to see Chris as the narcissistic little snot that he truly is.”(47)

28 “Either way, in recent days, Steve did in fact make an attempt to take-down this watch site by - get this - posing as an imposter and trying to obtain access to this Concerned Michigan Alumnus’ Facebook (FB) account.” (48)

28 “Sounds ludicrous? Of course, it does. But it’s astonishingly TRUE.” (48)

29 “Now, Steve, the corporate millionaire attorney, thought he could out-smart this Concerned Michigan Alumnus by cleverly changing the name of his original FB profile to a Marcus Toka ***** utilizing my real last name as a ploy to get me to accept his FB friend request.” (49)

29 “Yet, this rich fool did not do his homework.” (50)

29 “Steve sent me his bogus friend request on Monday, May 31, 2010 at 11:30 p.m.” (51)

30 “And, where did Steve get the idea to pose as a graduate student? Probably from his daughter Stephanie, who is currently enrolled as a grad student at Teacher’s College at Steve’s law school alma mater, Columbia University.” (52)

30 “The real smoking gun, however, remains the fact that Steve was stupid enough to use the same old profile pic for ‘Marcus’ as he did for his original FB profile - that of the African waterfall. Is Steve really this much of an idiot? I mean, really?” (53)

30 “I guess we now know where Chris learned to lie and deceive people - right from his own father. What an absolutely shameful episode.” (54)

30 “In the final analysis, Steve Armstrong’s quest to come to his son’s ‘rescue’ has backfired - big time. As this Concerned Michigan Alumnus told ‘Marcus,’ a.k.a. Steve, I don’t know what game he thinks he’s playing, but I’m not into charades.” (55)

32 “Chris Armstrong ... has apparently grown tired of the Ann Arbor party-scene and has moved back to Washington, D.C. for the remainder of the summer to live it up in the infamous Dupont Circle neighborhood. Armstrong’s cover? He’s “interning” with U.S. House Speaker Nancy ‘Princess’ Pelosi (D-San Francisco)...” (56)

32 “Armstrong stayed in Ann Arbor until early June ... Armstrong spent most of this time engaging in underage binge-drinking as well as imitating his favorite San Francisco homosexual “role model,” Harvey Milk, by ranting and raving at pro-homosexual rights

rallies.” (57)

33 “Armstrong, for his part, seems to be motivated to join Princess Pelosi’s court as a lowly handmaiden for three reasons. First, it’s an excuse to get back to D.C. and party (read: binge-drink underage) with all his ‘gay’ friends. Second, it adds to Armstrong’s resume, which is somewhat thin, since he’s never had a real job in his life. And, finally, the unpaid gig actually does not entail much work at all - at least not for Armstrong.”

“When this Concerned Michigan Alumnus recently called Princess Pelosi’s office to confirm Armstrong’s internship position, I was told by a paid staffer named Jeff that, yes, Armstrong had already begun “interning” with the office but had the day off. Upon further inquiry, Jeff informed me that Armstrong was one of the few select interns that made his own hours and came in when it “fit” into his schedule.” (58)

68 “Armstrong was not in Ann Arbor that night, as he was still in Washington, D.C., ‘interning’ with the office of U.S. Speaker of the House of Representatives Nancy Pelosi. In fact, that night Armstrong was reportedly at a concert featuring the notorious anti-Catholic bigot, Lady Gaga.” (108)

74-75 “Serwer is openly homosexual and has been rumored to also be carrying on sexual relations - from time to time - with MSA Vice-President Jason Raymond.” (113)

75 “Tonight’s party is also being hosted by openly homosexual student activist Evan Nichols, an avowed anti-Christian bigot who was recently caught mocking God and the authority of the Bible ...”(114)
