

Illegal Immigration Is A Crime!

Under Title 8 section 1325 of the U.S. code, "Improper Entry by Alien" any Citizen of any country, other than the United States who:
Enters or attempts to enter the United State at any time or place other than as designated by immigration Officers; or Eludes examination or inspection by immigration officers; or Attempts to enter or obtain entry into the United States by willfully false or misleading representation or the willful concealment of a material fact; HAS COMMITTED A FEDERAL CRIME!!

Violations are punishable by criminal fines and/or imprisonment for up to 6 months. Repeat offenses can bring up to 2 years in prison. Additional fines may be imposed at the discretion of immigration judges, but civil fines do not negate the criminal sanctions or nature of the offense.

In addition to sneaking into the country in violation of the immigration law that requires that aliens be documented for legal entry (referred to as "entry without inspection-EWI"), others enter with legal documentation and violate the terms by which they where admitted by taking jobs that are not authorized, or overstaying the authorized period of stay in the country. The INS estimated, in 1996, that about 60 percent of the then estimated 5 million Illegal immigrants were EWI & 40 percent were overstayers. Since then the numbers have increase in staggering proportions, both types of illegal immigrants are DEPORTABLE under the Immigration and Nationality Act Section 237 (a)(1)(B) which says, "ANY ALIEN WHO IS PRESENT IN THE UNITED STATES IN VIOLATION OF THIS ACT OR ANY OTHER LAW IS DEPORTABLE."

ILLEGAL IMMIGRATION IS NOT A VICTIMLESS CRIME!!

Illegal Immigration causes substantial harm to American Citizens and legal immigrants, particularly those in the most vulnerable sectors of our population; the poor and the children. They enter our Country without paying taxes, they strain our education systems, they overwhelm health care, and they place undue financial burden on our social services, which the US Citizen is obligated to pay for. Illegal immigrants DO NOT!

Illegal immigrants take the jobs that we are entitled to, contributing to the dramatic population growth in our Country, that increases social services spending, which in turn increases our National debt.

ANY POLITICIAN GRANTING IMMUNITY TO THESE CRIMINALS SHOULD BE CONVICTED OF AN ACT OF TREASON! TIME IS RUNNING OUT!

Call your Senators & Congressmen TODAY. Don't let them vote to give these criminals and terrorists citizenship!! Make them deport the ILLEGAL IMMIGRANTS and uphold our AMERICAN LAWS!!!!!!

GOD BLESS AMERICA!!
