I understand that I will be required to pay mandatory costs that will be assessed against me and that the Court may assess additional discretionary costs. I also understand that the Court may require me to pay restitution and/or cost of investigation in this case.

I understand that I have the right to plead not guilty to an offense charged against me or if I have entered a plea of not guilty, to persist in that plea and proceed to trial. If I elect to proceed to trial, I understand that I have a right to be tried by a jury, and at that trial, I have the right to the assistance of counsel, the right to compel the production of evidence and the attendance of witnesses on my behalf, the right to confront and cross-examine witnesses against me, and the right not to be compelled to incriminate myself. I have the right to take the witness stand at my sole option, and if I do not take the witness stand, I understand the jury, at my request, will be told this may not be held against me. I understand that by pleading guilty I waive and give up my rights as listed in this paragraph and that there will be no trial. I further understand that if I plead guilty, the judge may ask me questions about the offense(s) to which I have plead. I am not required to answer those questions, and if I decline to answer those questions, my refusal may not be used against me by the judge or anyone else. If I answer those questions under oath, on the record, and in the presence of counsel, the answers may later be used against me in the prosecution for perjury.

If I am presently on probation/early prison release/parole, I understand that pleading guilty or nolo contendere in this case may cause the revocation of my probation/early prison release/parole and that this could result in a sentence of imprisonment in that case. I further understand that, if revoked, any sentence in this case may be consecutive to (in addition to) any sentence in the case in which probation/early prison release/parole is revoked.

I understand that if I plead guilty, I give up my right to a direct appeal. I further understand, however, that I do not give up my right to appellate review by collateral attack, as that term has been explained to me by my lawyer.

Other than the agreement, if any, contained on this plea form, no promise or suggestion of any kind has been made to me, directly or indirectly, by my attorney or by any officer or agent of any branch of government (federal, state or local) to get me to enter this plea. No one, including my lawyer or any officer of any branch of the government (federal, state, or local) has subjected me to any force, threat, duress, intimidation or pressure to influence me in any way to enter this plea.

My lawyer has advised me that at trial the State could present evidence to establish the facts set forth in the probable cause affidavit, and I agree that the Court may rely upon documents in the Court's file, including the probable cause affidavit, for a factual basis for this plea.

My lawyer has advised me of considerations bearing on the choice of which plea(s) to enter, the advantages and disadvantages of such plea(s), and the likely results thereof, as well as possible alternatives available to me. The PLEA AGREEMENT contained on this form was concluded by me and my attorney with my full and complete consent and agreement. I fully agree with the efforts of my attorney and to the terms of the plea agreement. I BELIEVE THAT MY LAWYER HAS DONE ALL THAT A COMPETENT ATTORNEY COULD DO TO COUNSEL AND ASSIST ME. I AM SATISFIED WITH THE ADVICE AND HELP (S)HE HAS GIVEN ME. Even though I have been assisted and advised by my lawyer, the decision to plead guilty/nolo contendere (no contest) is mine alone and is made by me after considering the advice and counsel of my lawyer.

JIMMY RYCE / SEX OFFENDER WARNING: My lawyer has advised me that if I am now pleading to a "sexually violent offense" or if I have previously been convicted of a "sexually violent offense," as that term is defined in Section 394.912(9), Florida Statutes, my plea in this case could subject me to the

provisions of the Jimmy Ryce Civil Commitment Act, Florida Statutes, Section 394.910, et seq., which allows the State to commit me to secure treatment facility, for an indefinite period of time, as a person who has been convicted of a sex offense, and who is determined to be likely to commit a violent sexual offense in the future.

I have also been advised that if I am pleading to any sexual related offense, Florida law requires me to register as a sexual offender and such requirement will be a condition of a sentence.

IMMIGRATION AND NATURALIZATION WARNING: I understand that if I am not a United States Citizen, this plea and the resulting sentence will lead to my deportation pursuant to the laws and regulations governing the United States Department of Homeland Security / Immigration and Naturalization Services; and in some instances, depending on the nature of the offense, I will be mandatorily deported. I have consulted with my lawyer regarding this issue, and I am satisfied with the answers he/she has given to me.

DRIVER'S LICENSE SUSPENSION WARNING: I understand that if I am convicted of certain drug offenses, the Florida Department of Highway Safety and Motor Vehicles may administratively suspend my driving privileges without any input from the court.

I believe that I am competent to enter this plea and enter this plea knowingly, freely and voluntarily. My physical and mental health is presently satisfactory. The exception to this is (write any mental or physical conditions which affect your ability to understand this form)None
At this time I am not under the influence of any drugs or intoxicants. (If you are under the influence of any drug or substance you must tell the court and/or your attorney prior to signing this form.) At this time I am taking the following medications:None
