

MIAMI BEACH

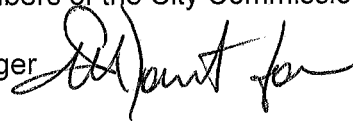

OFFICE OF THE CITY MANAGER

NO. LTC # **339-2016**

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: August 17, 2016

SUBJECT: Short-Term Rental Violations

The purpose of this Letter to Commission (LTC) is to inform the Mayor and City Commission of the short-term rental citations that have been issued in violation of Subsections 142-109, 142-905, and 142-1111 of the City of Miami Beach Code of Laws and Ordinances since the enhanced penalties were adopted by the City Commission on March 9, 2016.

Since the effective date of March 19, 2016, 106 citations have been issued to properties for illegal short-term rental activity. With the assistance of the Police Department, 31 locations were vacated of the short-term occupant at the time of the citation. Forty-two citations have been issued for the unlawful advertisement of a short-term property, 18 of which were issued to short-term rental advertising companies, including Airbnb, Inc., Homeaway.com, and Booking.com. In instances where a property had more than one party involved in the leasing or facilitation of short-term rental activities, as some investigations uncovered subletting, all parties were cited.

The first round of appeals for violations issued after the effective date of the amended ordinance is scheduled for a Special Master hearing on September 19, 2016.

The new fine provisions in the amended ordinance along with the ability to immediately cease the illegal rental by vacating the property with police is having an impact and placing the burden on the homeowner to relocate their unlawful rental occupants, but more important, it is providing immediate relief to our neighborhoods.
