**MOTION FOR PRETRIAL DETENTION**

COMES NOW, the State of Florida, by and through the undersigned Assistant State Attorney, and moves this Court to issue an order holding the Defendant without bond in the above case number pursuant to Florida Statute § 907.041(5)(d) and Florida Rule of Criminal Procedure 3.132(a). In support of this motion, the State would show the following:

1. On February 11, 2025, the Defendant was arrested for Capital Sexual Battery, Sexual Battery on a Victim older than 12yo but less than 18yo by a Person in Familial or Custodial Authority and Lewd and Lascivious Battery. Bond was set at No Bond for the Capital Sexual Battery, No Bond for the Sexual Battery Custodial Authority and \$150,000 for the Lewd or Lascivious Battery.
2. It is alleged that on or between August 18, 2021, and February 10, 2025, the defendant sexually battered A.L. who was between 9-12 years of age during the numerous incidents. It is alleged that the defendant penetrated A.L.'s mouth, vagina, and anus on numerous occasions during that time period. It is also alleged that the defendant was in a familial or custodial position with respect to A.L. while he was abusing her.
3. During the course of the investigation, A.L.'s mother participated in controlled communications with the defendant. During those recorded conversations, the defendant admitted to sexually battering A.L. over the course of a year in 2024 on numerous occasions.
4. Sexual Battery qualifies as "dangerous crimes" under F. S. § 907.041(5)(a)(11).
5. Sexual Activity with a child, who is 12 years of age or older but less than 18 years of age, by a person in familial or custodial authority qualifies as "dangerous crimes" under F.S. § 907.041(5)(a)(15).
6. Lewd, lascivious, or indecent assault or act upon or in the presence of a child under the age of 16 years qualifies as "dangerous crimes" under F.S. § 907.041(5)(a)(14).

7. There is a substantial probability based on the Defendant's behavior and the criteria in F.S. § 903.046 that the Defendant poses the threat of harm to the community as the defendant is presently charged with a dangerous crime, there is a substantial probability that the defendant committed such crime, and that the factual circumstances of the crime indicate a disregard for the safety of the community. Further, there are no conditions of release reasonably sufficient to protect the community from the risk of physical harm to persons.
8. The undersigned has received testimony under oath supporting the grounds and essential facts alleged herein.

WHEREFORE, the State moves this Court to enter an order holding the Defendant in pretrial detention until its conclusion.
