Re: Speeding Citation No. AFO63AE dated Sunday, June 19, 2022

To the Honorable Magistrate Judge,

On father's day, while preparing for family coming into town and running behind in my work schedule rushing between meetings, I was pulled over on I-95 for speeding. I lost track of time and while taking calls and dealing with traffic knowing I was behind schedule, I was not paying attention to my speed nor the limit. I am asking for lenience as I am gladly to pay in full the amount owed but would like the assessed points and my record not to be noted if possible. I commit in the future to pay more attention to my speed and be aware of my time so it will not put me in a rush situation. Thank you in advance for your time and consideration in this matter. Should you need anything further, please do not hesitate to contact me directly.

Sincerely,

Joseph Mullins
