We just got notice that the Fire Department will be here at **10 am TOMORROW (Thursday)** morning to do our annual fire inspection. You need to make sure your rooms are compliant. Please make sure to unplug all plug in air fresheners, if you have any "extra" pillows or what not please remove them until after the inspection. Also, please make sure that you **RED Emergency Folders** are near your classroom doors. If you have any questions please make sure to ask me.

Please pass this on to your neighbor to make sure they have seen it also!!

Thanks!!

Holly Pane
