Are You Election Ready?

There are THREE ways to vote in Florida.
Election Day: August 18, 2026

Vote On Election Day

Election Day voters must vote in their assigned polling place. Polls are always open from 7:00 AM - 7:00 PM on Election Day.

Florida law requires you to vote in the precinct where you live on Election Day. Any voter who refuses to go to their assigned precinct will be issued a provisional ballot.

KNOW BEFORE YOU GO!

If you voted early in a previous election and now wish to vote on Election Day, the early voting site may not be your assigned precinct. For example, the Flagler County Public Library is an early voting site for everyone, but unless you live nearby, it is not your assigned PRECINCT on Election Day.

Check your VOTER INFORMATION CARD to find the name and address of your polling place or visit [FlaglerElections.gov/precinct-finder](https://www.flaglerelections.gov/precinct-finder)

Vote-By-Mail

Drop boxes (secure ballot intake stations) for mail ballots will be available at all early voting sites during polling hours. Ballots can also be returned directly to the Supervisor of Elections office in Bunnell.

If you have requested and received a mail ballot but decide to vote in person, bring your ballot with you.

Election Security Quick Facts

The local voter registration database and vote tabulation database are hosted on separate servers. Our tabulation server is held in a closed network with no Internet access.

In order to vote by mail, a citizen must be registered to vote and provide ID at the time of registering. The signature on each returned ballot certificate must match the voter’s signature on file.

Each one of the thousands of mail ballot envelope signatures are reviewed by trained Elections Office staff, a process which takes many hours. Each mail ballot signature is reviewed and verified as a match before a ballot can be counted.
