Conference Report on Senate Bill 2500

Fiscal Year 2019-2020 General Appropriations Act

> Florida House of Representatives Appropriations Committee May 22, 2019

This report reflects only items contained in the Conference Report on Senate Bill 2500, the 2019-20 General Appropriations Act (GAA), which are identifiable to specific counties. State agencies will further allocate other funds contained in the General Appropriations Act based on authorized distribution methodologies. This report was produced prior to the veto process.

This report includes all construction, right of way, or public transportation phases \$1 million or greater that are included in the Tentative Work Program for Fiscal Year 2019-20. The report also contains projects included on certain approved lists associated with specific appropriations where the list may be referenced in proviso but the project is not specifically listed. Examples include, but are not limited to, lists for library, cultural, and historic preservation program grants included in the Department of State and for the Beach Management Funding Assistance Program (BMFAP) included in the Department of Environmental Protection. The Florida Education Finance Program (FEFP) and funds distributed to counties by state agencies at a later date are not identified in this report.

Items in this report considered Appropriations Projects under Joint Rule Two are identified with either a House Bill (HB) number or a Senate Form number in the Project Title or the term "RBAP" is included under the Program description to indicate the item includes recurring base appropriations project (RBAP) funding. If the RBAP received additional nonrecurring funding in the GAA, the total provided includes the base recurring plus the additional nonrecurring funding and the House Bill number or Senate Form number is in the project title.

Pages 2 through 63 reflect items that are identifiable to one specific county. Multiple county programs are on pages 64 through 67. Footnotes are included at the bottom of Page 67 for items designated with one or more asterisks.

Other information pertaining to the budget is on the House website: www.Myfloridahouse.gov, under Publications — Appropriations
