

You honor Ms, Westen

Aug 25, 19

I understand I should not be doing this, but I feel as though when I'm in your courtroom I have know voice.

As you know, I had a dental appointment in Aug, well I missed that appointment, it was on the 19th the same day flagler brought me back. it will take 30 days to get another appointment, then once that is done, it will take 3 to 4 weeks to get my new teeth.

I please ask to leave me here till the end of October, so I can get this done.

In the 19 years I've caused no trouble for anyone, I've done what has been asked of me, and have never asked for anything, this is the one time I'm asking for something.

In early Nov I can go back not just for a status hearing, but Mr Neilson, can argue the mental disability claim, all in the same hearing.

I hope you will please consider my request.
Thank you for your time.

Sincerely
David

Please inform Mr Neilson about what you decide.

I want to try and arrange a visit for thanksgiving as well as Christmas, that is the other reason.
