

# Our kids need your help!

Flagler students need your “gently used” and/or new collared shirts and jeans!

Please see our website at <http://old.flaglerschools.com/content/uniform-policy-q> for specific shirt colors by school and detailed information. All schools may use black, white, and grey shirts. Each school has additional school specific colors.

**Drop Off to the Main Desk at Any Flagler Public School**

If you are cleaning out your closets over Spring Break, please save your gently used collared shirts and jeans for us!  
Please WASH THEM before bringing them in.
