On April 23, 2018 at 6:30 PM I, Deputy N. Champion, responded to the area of Ponce Deleon Drive and Point Pleasant Drive in reference to a car break. Upon arrival deputies set up a perimeter, so K9 could attempt to locate the suspect. The suspect was described as a tall young black male with orange hair headed north on Ponce Deleon Drive from Point Pleasant drive. The suspect was never located.

I responded to 58 Point Pleasant Drive, which is where the vehicle was broken into. I made contact with Richard Friese who advised his vehicle was broken into. According to Richard his vehicle was unlocked and the suspect made entry through the passenger door. Richard found that his gun was stolen out of a bag, which was under the rear area of the driver seat. Nothing else was taken out of the vehicle.

Richard further stated his wife saw the male at the house next door where it appeared he was trying to get into the vehicle but failed to do so. She yelled at him and the male walked out of the driveway without incident.

The gun is a Smith & Wesson M&P .45. In the gun was a loaded magazine of ten .45 rounds and one in the chamber. Also taken was a 10 round magazine also located in the bag with the gun.

The truck was processed for fingerprints and a hand print was able to be lifted. This will be entered into evidence at Flagler County Sheriff's Office.

This gun will be entered into FCIC/NCIC by FCSO communications division. This incident was documented on my Axon Video Recorder and will be uploaded to Evidence.com. Nothing further.
