Winnie?

Hmm. Torn. Would Tom be upset?

P

Let's pass this time

She'd be a great advisor, maybe for a round two meeting. Don't want this first one to be too big.

Great idea!

P

SCHOOL DECISION

Brevard school board weighing new discipline measures

BY GREG PALLONE | BREVARD COUNTY
UPDATED 4:51 PM ET DEC. 08, 2022

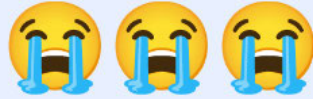

Mornin. Looks like Dusty at a Brevard school board meeting early Dec, so I'm guessing Brevard has been on the table for awhile. Looks like that would be a big job. Flagler would be a cakewalk by comparison. Anyhoo, hope you're having a great long weekend.

8:28 AM

Upset I wasn't more assertive.

Let's re-group that was an ambush all four of them were part of it

I need to catch up on work big time but would love to chat a little.

When?

9:03 AM

Thanks for the chat. Look forward to next week. Happy weekend.

All systems go take care of business I'm staying on it like a dog on a bone

Thank you!

Tim just said something genius. It makes more sense for the three board members with a four year term ahead to have confidence in the Super vs the two board members who have already publicly announced they will not seek re-election.

I like that guy already and I haven't even formally met him. That makes incredible sense

Thursday, Feb 23 • 2:01 PM

Word

Thursday, Feb 23 • 4:30 PM

Could be I will verify, no worries didn't think you were short
