### Florida's August Employment Figures Released

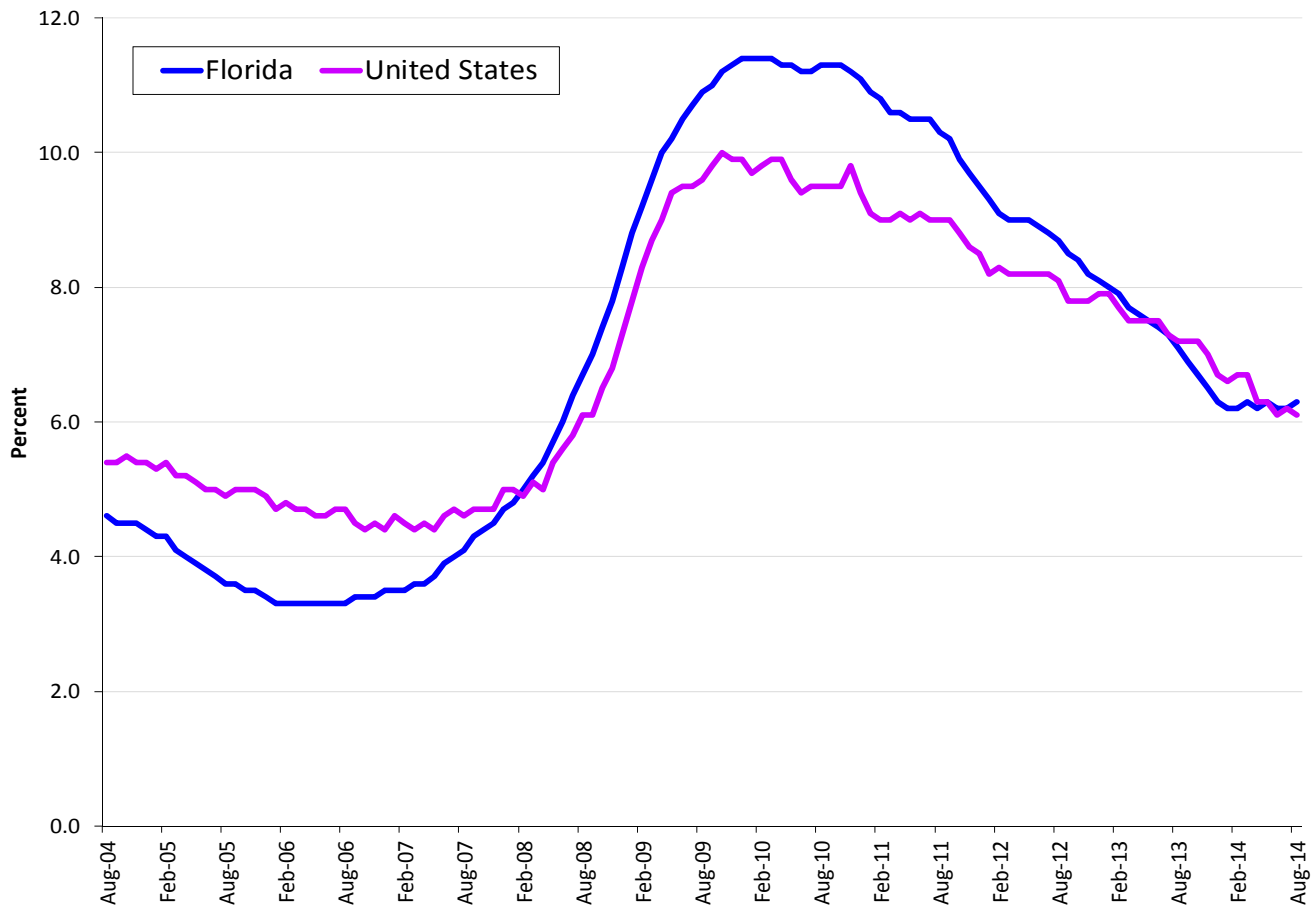

[www.employflorida.com](http://www.employflorida.com)

**TALLAHASSEE** – Florida's seasonally adjusted unemployment rate was 6.3 percent in August 2014, up 0.1 percentage point from the July 2014 rate of 6.2 percent, while down 0.8 percentage point from 7.1 percent a year ago. There were 602,000 jobless Floridians out of a labor force of 9,610,000. The U.S. unemployment rate was 6.1 percent in August. Florida's unemployment rate has been less than or equal to the national rate for 14 of the last 16 months.

Florida's seasonally adjusted total nonagricultural employment was 7,818,500 in August 2014, an increase of 22,700 jobs (+0.3 percent) over the month. Compared to August a year ago, the number of jobs in the state was up by 211,200, an increase of 2.8 percent. Nationally, the number of jobs was up 1.8 percent over the year. Florida's annual job growth rate has exceeded the nation's rate since April 2012.

United States and Florida Unemployment Rates (seasonally adjusted)

Source: U.S. Department of Labor, Bureau of Labor Statistics, Local Area Unemployment Statistics Program, in cooperation with the Florida Department of Economic Opportunity, Bureau of Labor Market Statistics.

## Florida's Nonagricultural Employment by Industry (Seasonally Adjusted)

- The number of jobs in Florida was 7,818,500 in August 2014, up 211,200 jobs compared to a year ago. August 2014 was the 49<sup>th</sup> consecutive month with positive annual job growth after the state lost jobs for over three years. The industry gaining the most jobs was trade, transportation, and utilities (+44,400 jobs, +2.8 percent).
- Other industries gaining jobs included construction (+43,500 jobs, +11.8 percent); professional and business services (+41,500 jobs, +3.7 percent); leisure and hospitality (+29,700 jobs, +2.8 percent); private education and health services (+28,000 jobs, +2.5 percent); financial activities (+11,300 jobs, +2.2 percent); manufacturing (+6,700 jobs, +2.1 percent); other services (+4,400 jobs, +1.4 percent); information (+1,200 jobs, +0.9 percent); and government (+300 jobs, less than +0.1 percent).
- These industry job gains were partially due to increases in food and beverage stores; specialty trade contractors; employment services; food services and drinking places; ambulatory health care services; insurance carriers and related activities; fabricated metal product manufacturing; membership associations and organizations; telecommunications; and local government.

## Local Area Unemployment Statistics (Not Seasonally Adjusted)

- In August 2014, Monroe County had the state's lowest unemployment rate (3.9 percent), followed by Walton County (4.0 percent); Okaloosa County (4.9 percent); and St. Johns and Wakulla counties (5.3 percent each). Many of the counties with the lowest unemployment rates were those with relatively high proportions of government employment.
- Hendry County had the highest unemployment rate (13.1 percent) in Florida in August 2014, followed by Flagler County (9.5 percent), Hamilton County (9.4 percent), Glades County (9.1 percent), and Hardee County (9.0 percent). There was only one county with a double-digit unemployment rate for August and one for July.

## Area Nonagricultural Employment (Not Seasonally Adjusted)

- Of the 22 metro areas in the state, 19 had over-the-year job gains in August 2014. The areas with the largest gains were Orlando-Kissimmee-Sanford (+36,500 jobs, +3.4 percent), Miami-Miami Beach-Kendall (+34,700 jobs, +3.3 percent), and Jacksonville (+18,000 jobs, +3.0 percent).
- The two metro areas that lost jobs over the year were Ocala (-1,200 jobs, -1.3 percent) and Sebastian-Vero Beach (-300 jobs, -0.7 percent). Panama City-Lynn Haven-Panama City Beach was unchanged over the year.

**Note:** The unemployment and job growth rates are estimates, which are primarily based on surveys created and mandated by the U.S. Bureau of Labor Statistics in cooperation with the Florida Department of Economic Opportunity.

The unemployment rate is derived from Florida household surveys conducted by the U.S. Census Bureau under contract with the U.S. Bureau of Labor Statistics. The job growth rate is derived from Florida employer surveys conducted by the U.S. Bureau of Labor Statistics.

Both estimates are revised on a monthly basis. In addition, these estimates are benchmarked (revised) annually based on actual counts from Florida's Reemployment Assistance tax records and other data.

Procedures mandated by the U.S. Bureau of Labor Statistics may result in more variable month-to-month changes. For further information, go to: <http://www.bls.gov/sae/cesprocs.htm>

The mission of the Florida Department of Economic Opportunity is to promote economic prosperity for all Floridians and businesses through successful workforce, community, and economic development strategies. Please visit [www.floridajobs.org](http://www.floridajobs.org) for more information.

*The next Florida Employment and Unemployment release will be October 17, 2014, at 10:00 A.M.*
