Notes:

1. The Collection Component of the Rates proposed herein shall include all costs for providing collection and transfer to the proper facility. On June 1, 2023, and annually thereafter, the Collection Component of Rates for Residential Collection Services may be adjusted in accordance with Section 23 of the Service Contract, based on changes in Consumer Price Index.
2. Changes to the Disposal or Processing Component of the Rates shall be calculated based on the generation factors and tipping fees indicated on the following pages. Thereafter, any changes will be calculated based on any approved revised rate in place at the time a request to change the rate is made. Changes shall be in accordance with Section 23 of the Service Contract.
