Pink 5K Raises Awareness:

This week, City Council presented Florida Hospital Flagler representatives, a check for \$14,448, raised in last fall's Pink 5K. About 670 people participated in the run/walk event, one of the most successful ever. These funds were raised for the Florida Hospital Flagler's breast cancer fund, which provides screening mammograms, diagnostic studies and education to qualified local people. For more information, see the attached News Release.
